Asian Development Bank hosts Green Finance event dedicated to green finance instruments

The Baku Stock Exchange joined the Asian Development Bank (ADB) on May 31, 2022 as a participant in the "Green Finance Event" dedicated to innovative and "green finance" instruments. Mr. Eldar Abdullayev, Chairman of the Board of the Baku Stock Exchange, briefed the participants on the organized capital markets, the current state and development trends of the market, and the potential of "green finance".

It should be noted that regular cooperation measures are being taken between the Baku Stock Exchange and the Asian Development Bank.
